

Appendix C. Histograms of Heart Failure Measure Score Distribution for the Cross-sectional Sample

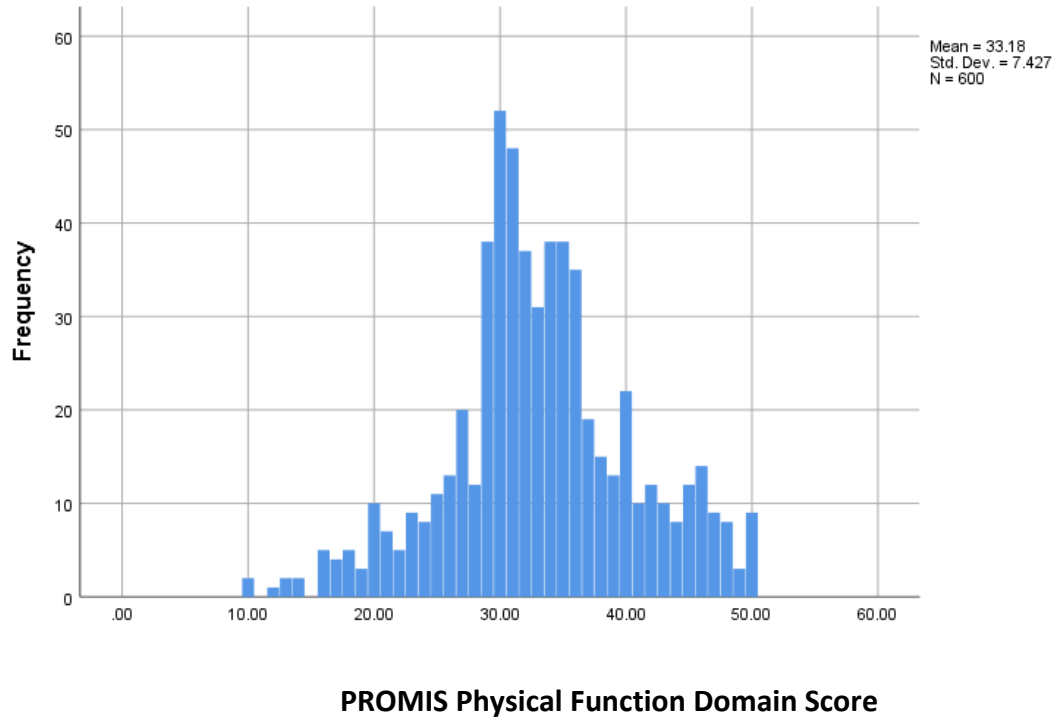

Appendix C: Histograms of Heart Failure measure score distributions for the cross-sectional sample

Appendix C, Figure 1: Distribution of PROMIS Dyspnea domain scores among people with heart failure in the cross-sectional sample

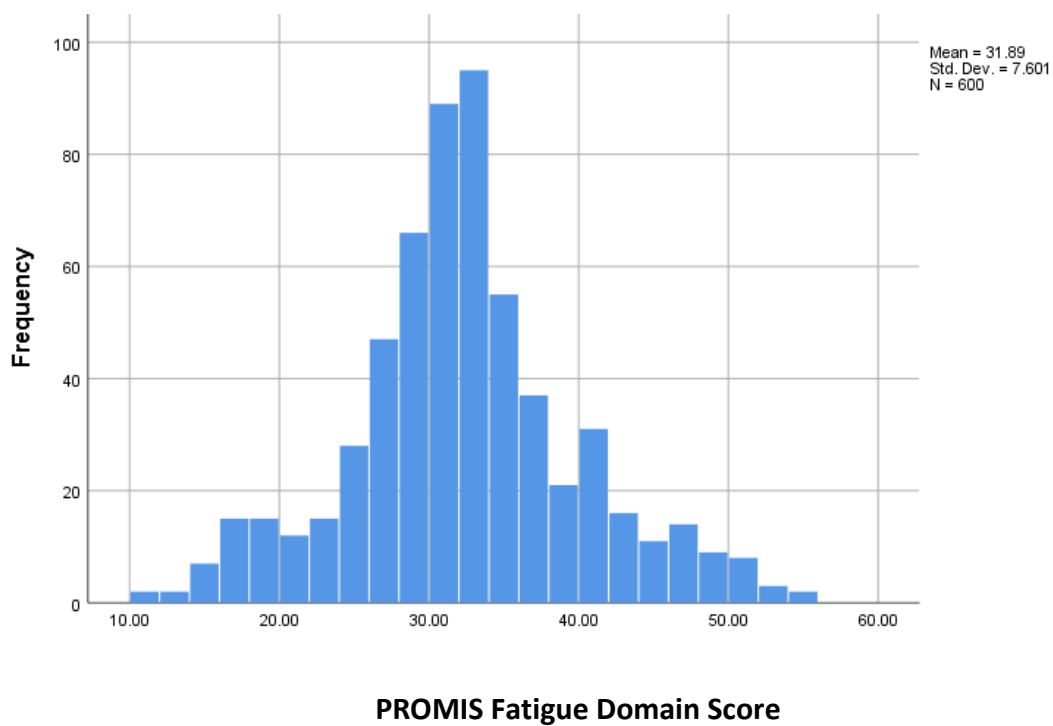

Abbreviation: PROMIS is Patient-Reported Outcomes Measurement Information System.

Appendix C, Figure 2: Distribution of PROMIS Physical Function domain scores among people with heart failure in the cross-sectional sample

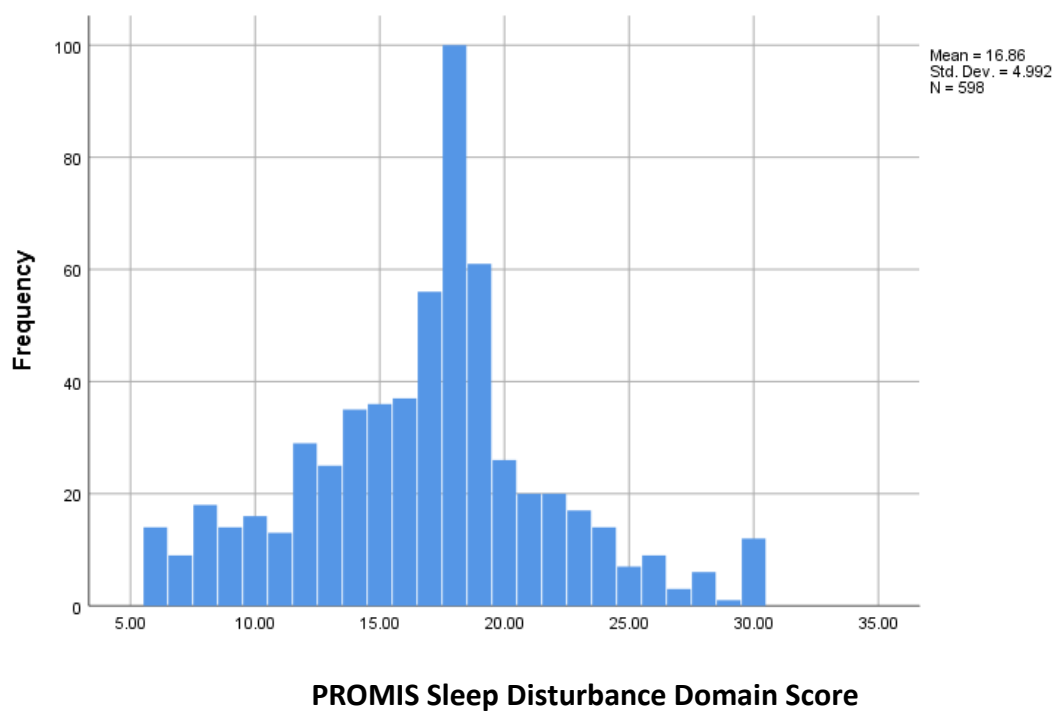

Abbreviation: PROMIS is Patient-Reported Outcomes Measurement Information System.

Appendix C, Figure 3: Distribution of PROMIS Fatigue domain scores among people with heart failure in the cross-sectional sample

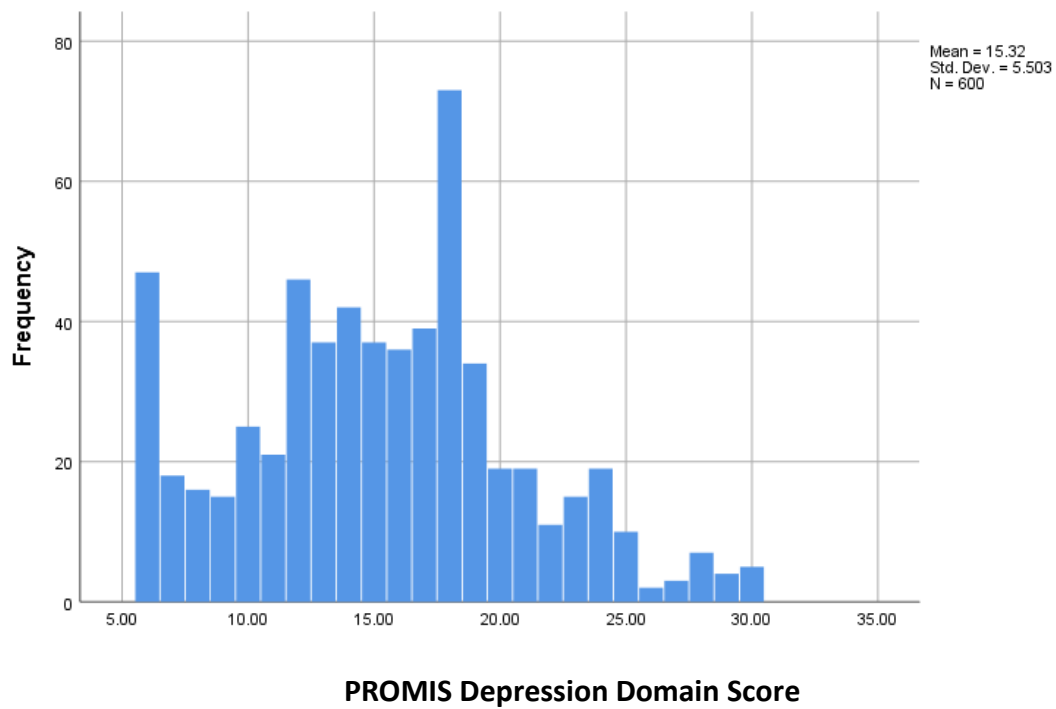

Abbreviation: PROMIS is Patient-Reported Outcomes Measurement Information System.

Appendix C, Figure 4: Distribution of PROMIS Sleep Disturbance domain scores among people with heart failure in the cross-sectional sample

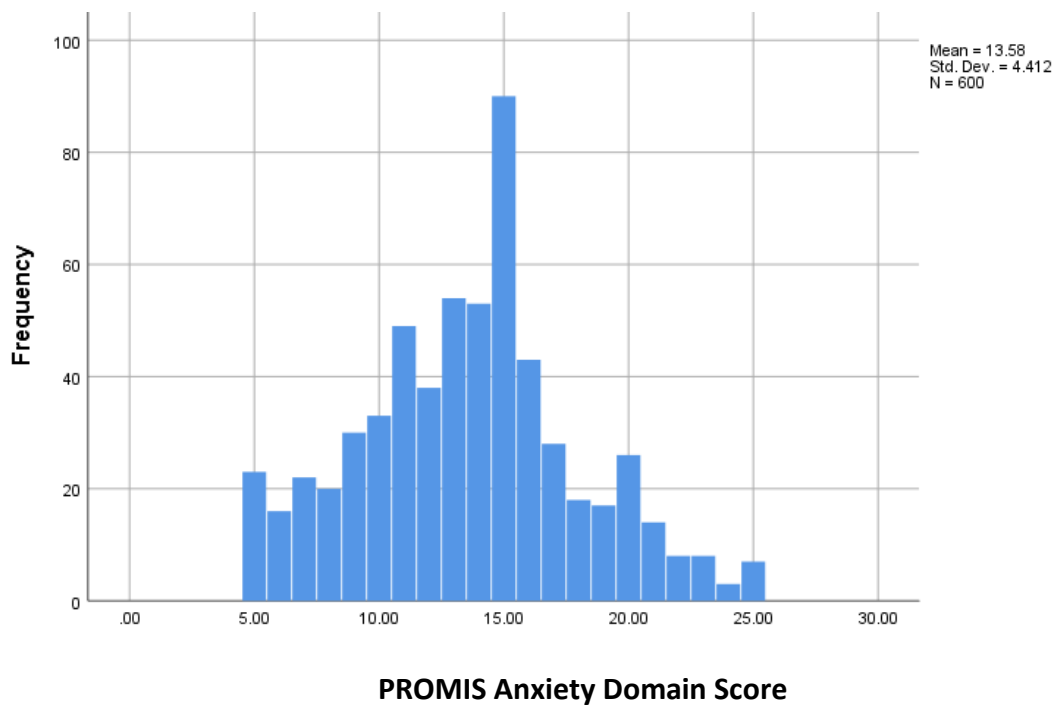

Abbreviation: PROMIS is Patient-Reported Outcomes Measurement Information System.

Appendix C, Figure 5: Distribution of PROMIS Depression domain scores among people with heart failure in the cross-sectional sample

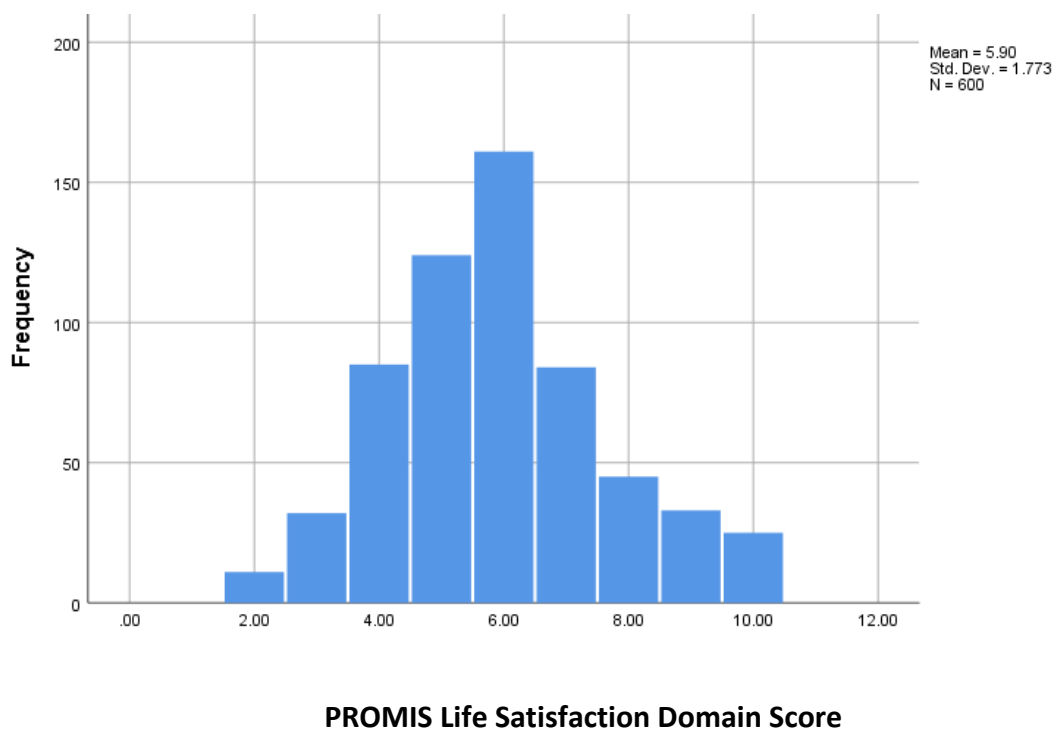

Abbreviation: PROMIS is Patient-Reported Outcomes Measurement Information System.

Appendix C, Figure 6: Distribution of PROMIS Anxiety domain scores among people with heart failure in the cross-sectional sample

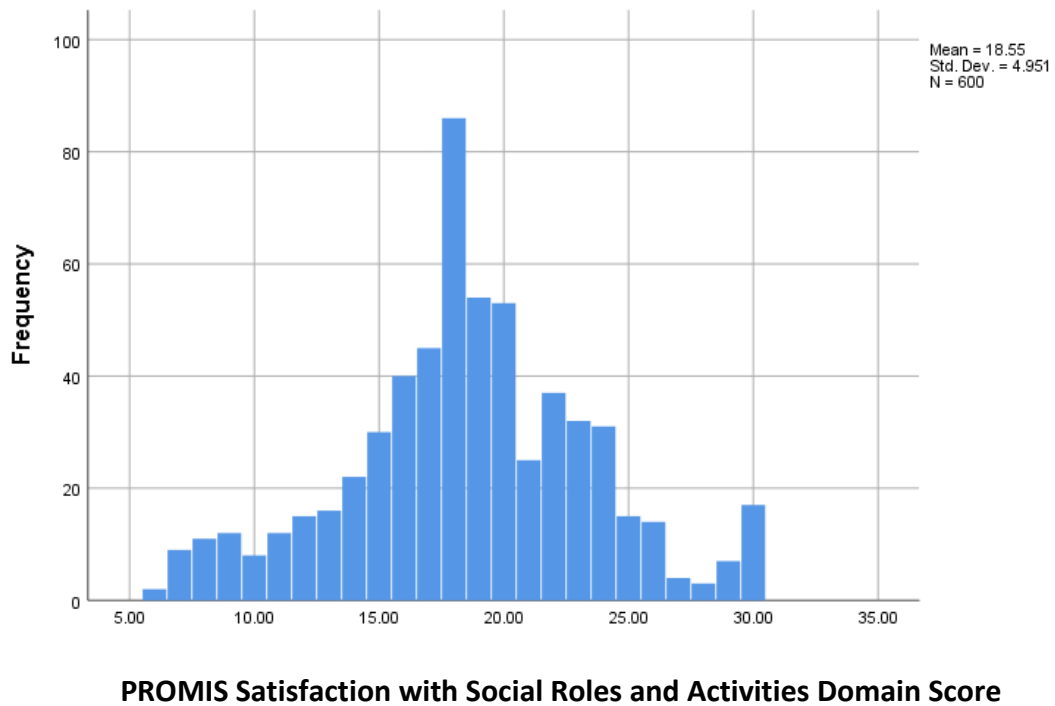

Abbreviation: PROMIS is Patient-Reported Outcomes Measurement Information System.

Appendix C, Figure 7: Distribution of PROMIS Life Satisfaction domain scores among people with heart failure in the cross-sectional sample

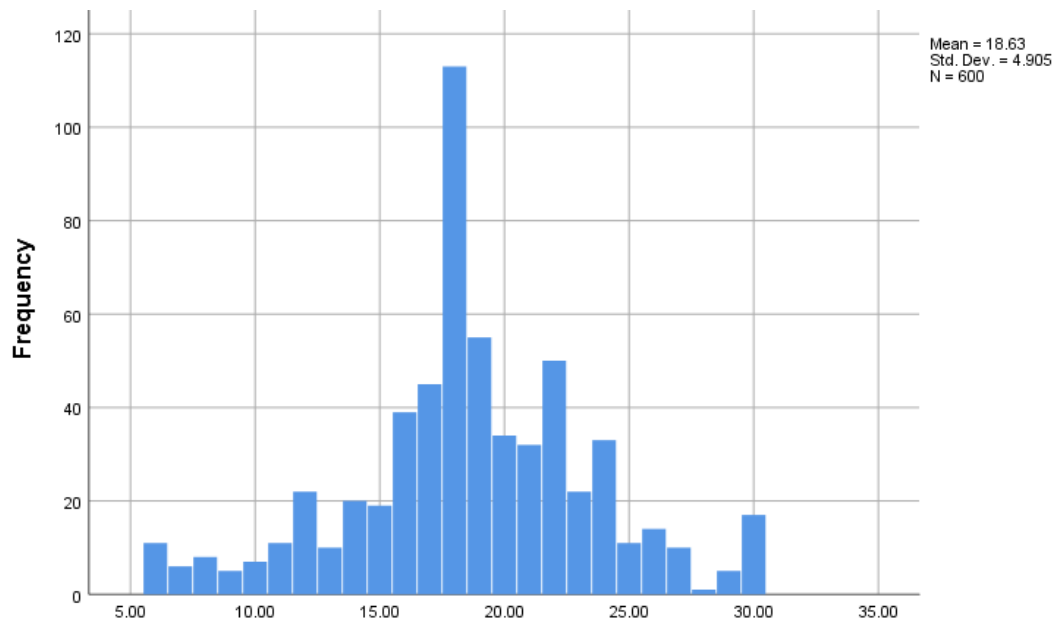

Abbreviation: PROMIS is Patient-Reported Outcomes Measurement Information System.

Appendix C, Figure 8: Distribution of PROMIS Satisfaction with Social Roles and Activities domain scores among people with heart failure in the cross-sectional sample

Abbreviation: PROMIS is Patient-Reported Outcomes Measurement Information System.

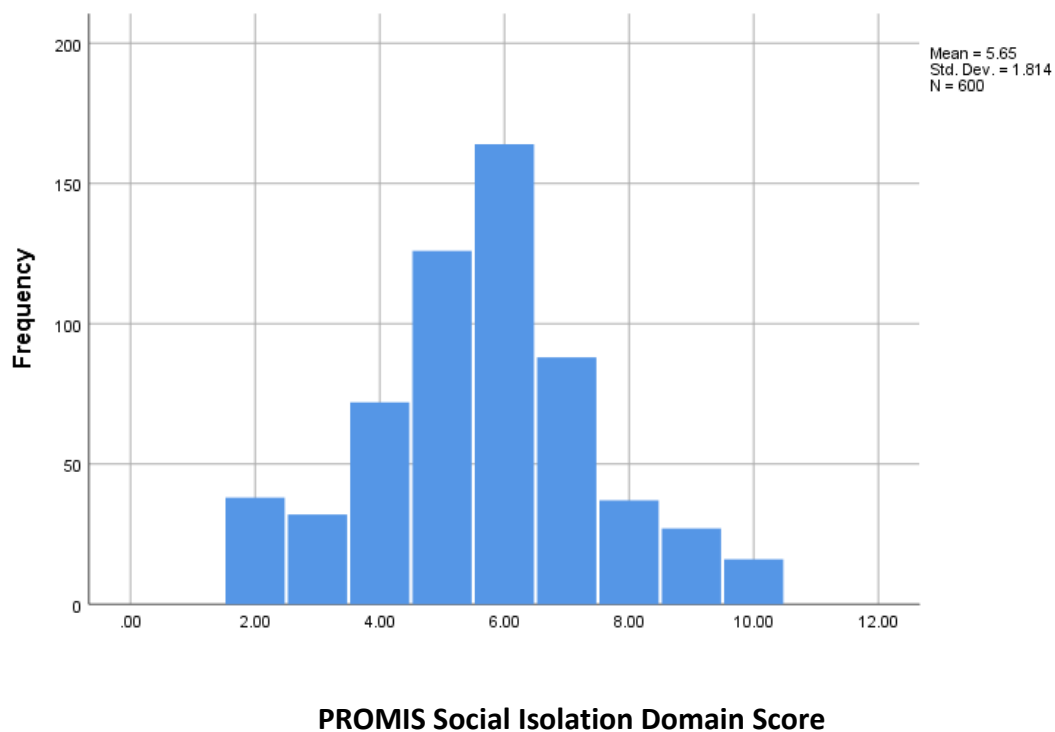

Appendix C, Figure 9: Distribution of PROMIS Ability to Participate in Social Roles and Activities domain scores among people with heart failure in the cross-sectional sample

PROMIS Ability to Participate in Social Roles and Activities Domain Score

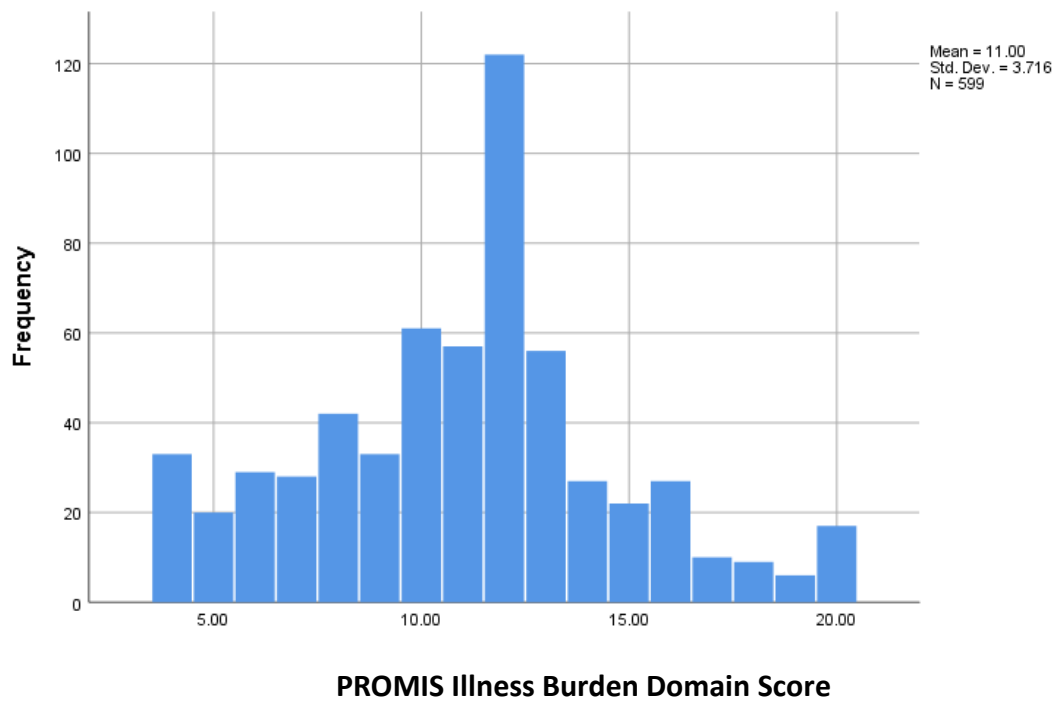

Abbreviation: PROMIS is Patient-Reported Outcomes Measurement Information System.

Appendix C, Figure 10: Distribution of PROMIS Social Isolation domain scores among people with heart failure in the cross-sectional sample

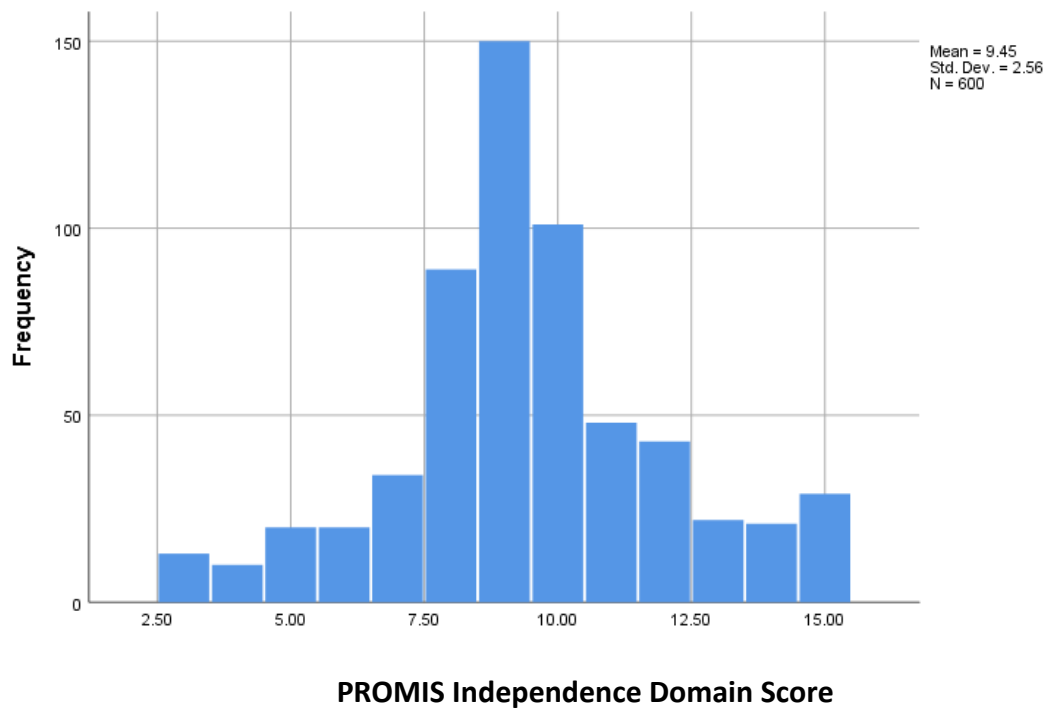

Abbreviation: PROMIS is Patient-Reported Outcomes Measurement Information System.

Appendix C, Figure 11: Distribution of PROMIS Illness Burden domain scores among people with heart failure in the cross-sectional sample

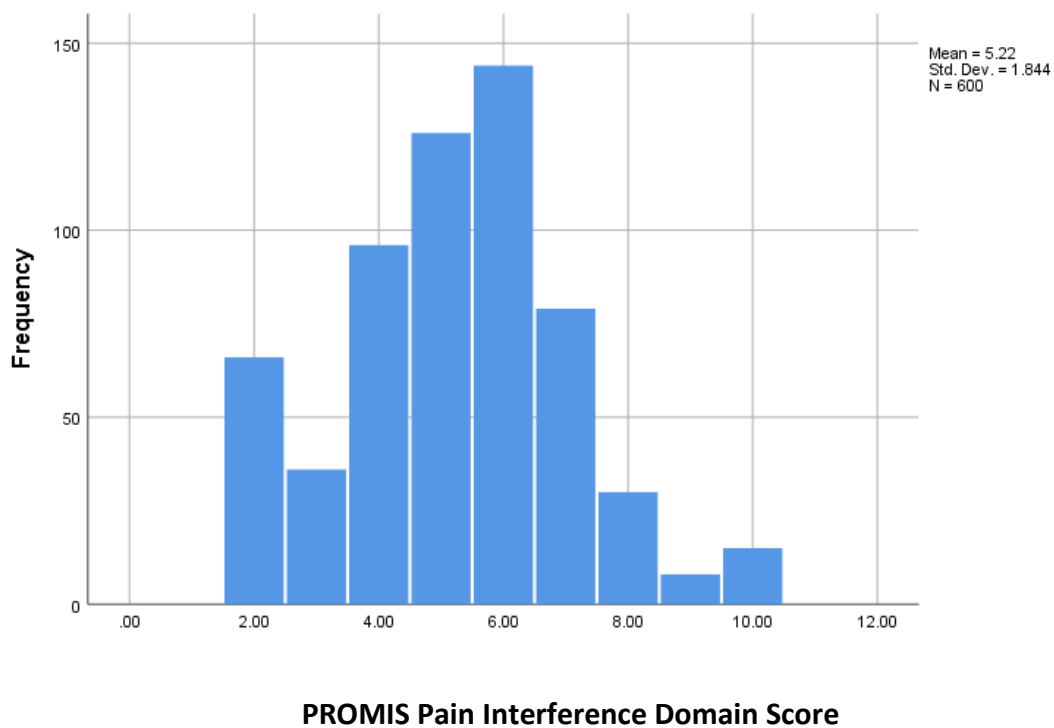

Abbreviation: PROMIS is Patient-Reported Outcomes Measurement Information System.

Appendix C, Figure 12: Distribution of PROMIS Independence domain scores among people with heart failure in the cross-sectional sample

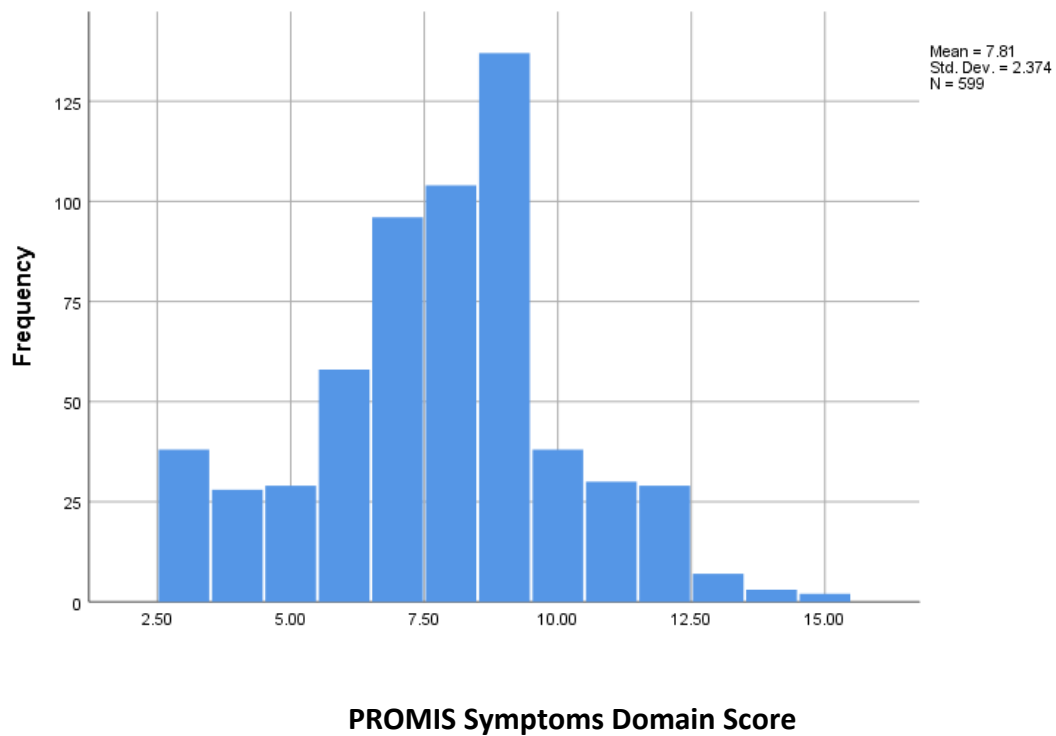

Abbreviation: PROMIS is Patient-Reported Outcomes Measurement Information System.

Appendix C, Figure 13: Distribution of PROMIS Pain Interference domain scores among people with heart failure in the cross-sectional sample

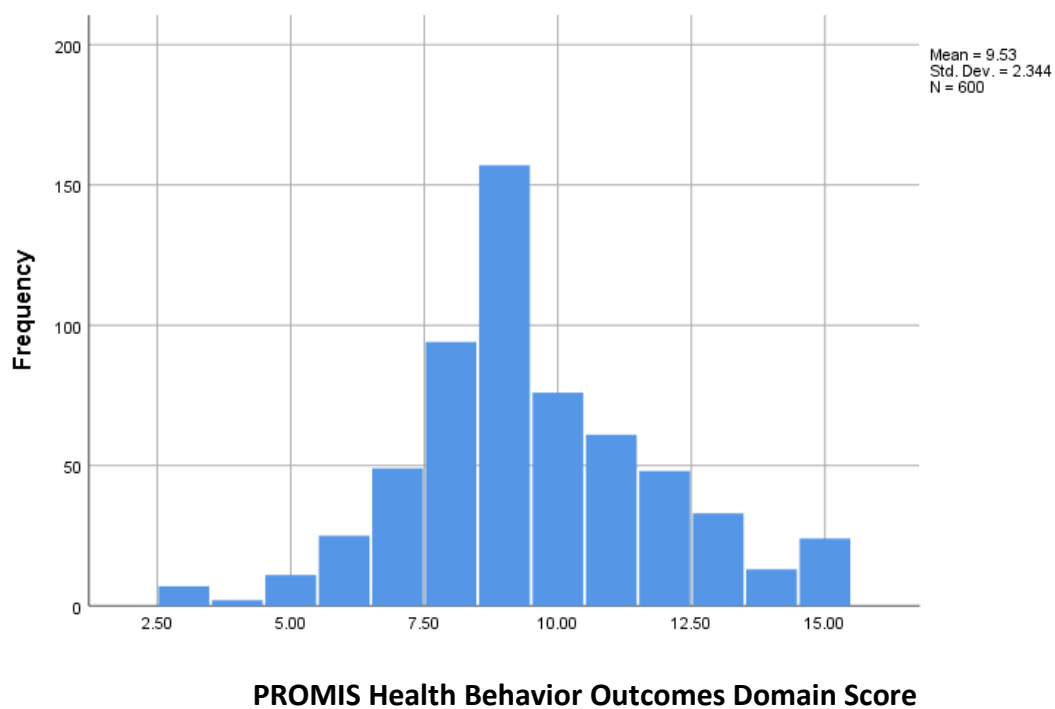

Abbreviation: PROMIS is Patient-Reported Outcomes Measurement Information System.

Appendix C, Figure 14: Distribution of PROMIS Symptoms domain scores among people with heart failure in the cross-sectional sample

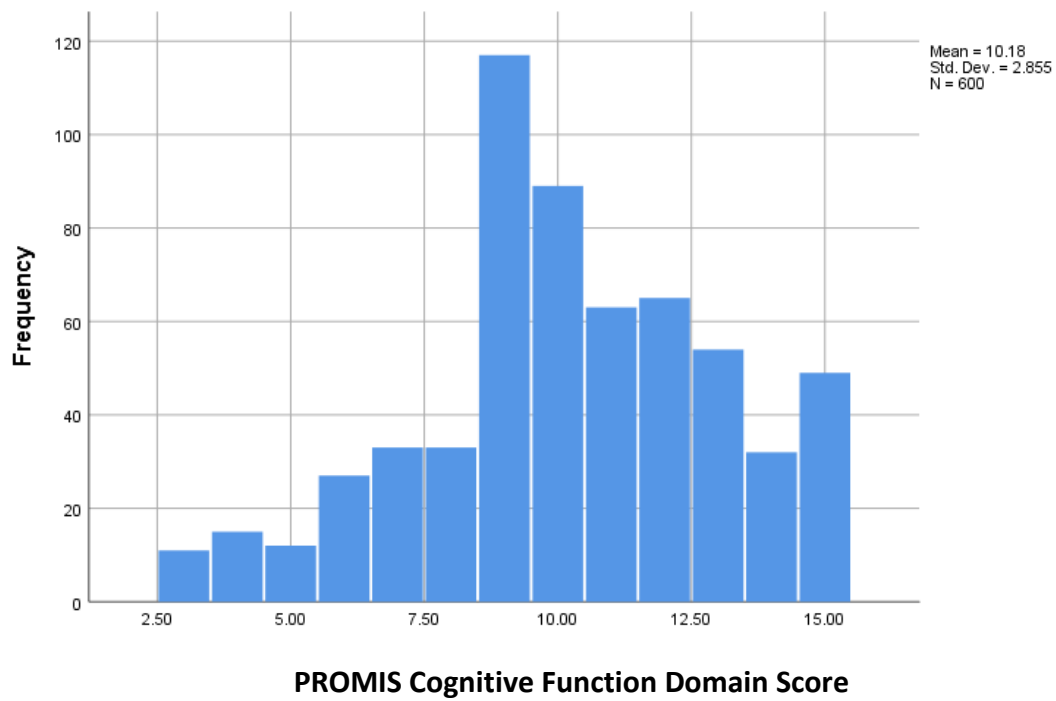

Abbreviation: PROMIS is Patient-Reported Outcomes Measurement Information System.

Appendix C, Figure 15: Distribution of PROMIS Health Behavior Outcomes domain scores among people with heart failure in the cross-sectional sample

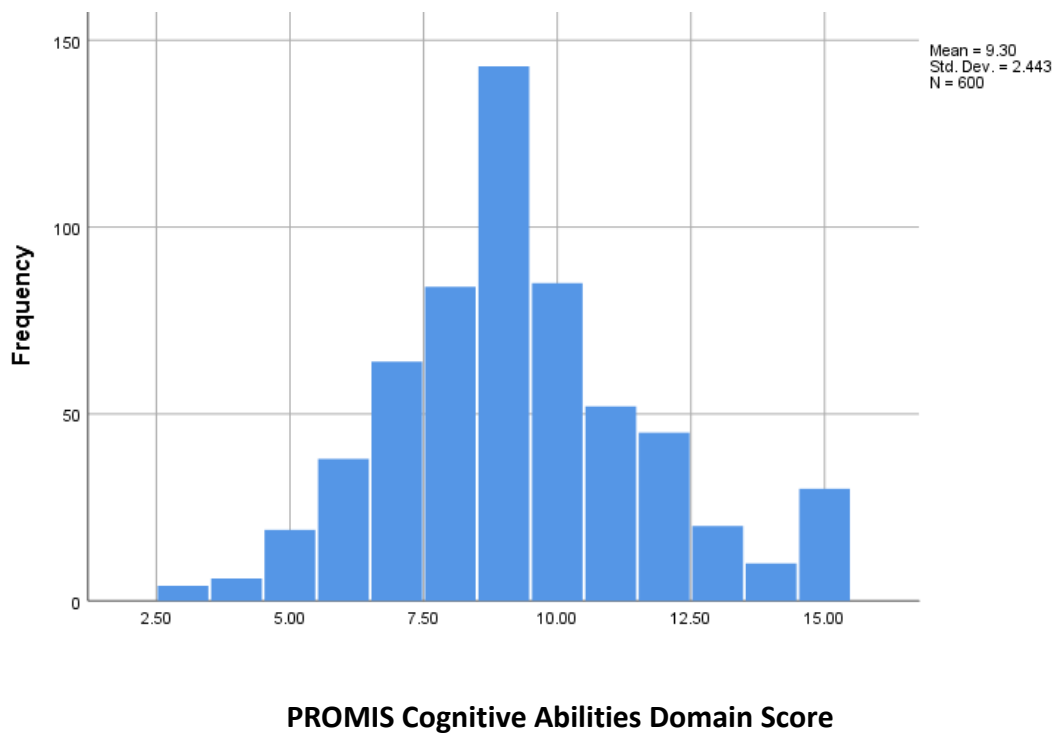

Abbreviation: PROMIS is Patient-Reported Outcomes Measurement Information System.

Appendix C, Figure 16: Distribution of PROMIS Cognitive Function domain scores among people with heart failure in the cross-sectional sample

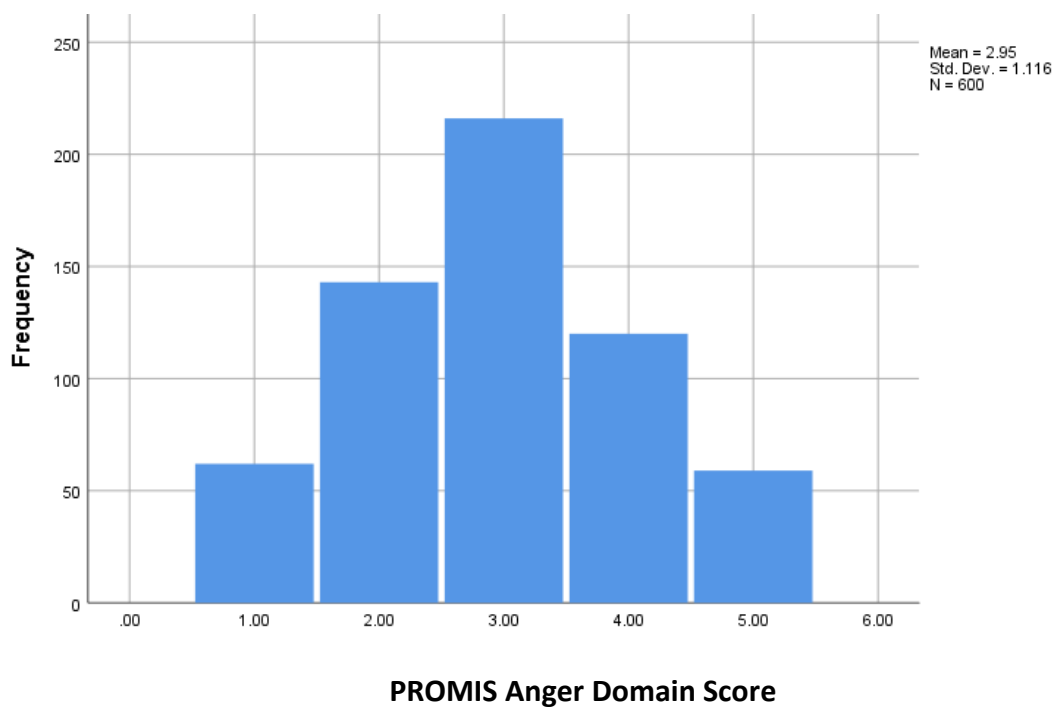

Abbreviation: PROMIS is Patient-Reported Outcomes Measurement Information System.

Appendix C, Figure 17: Distribution of PROMIS Cognitive Abilities domain scores among people with heart failure in the cross-sectional sample

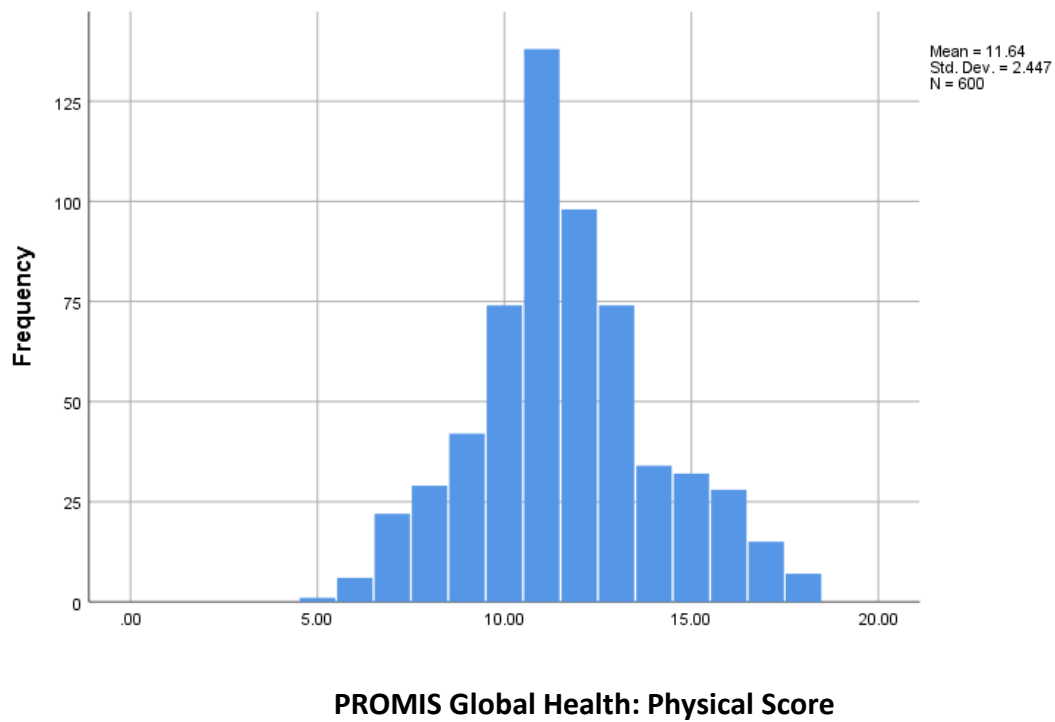

Abbreviation: PROMIS is Patient-Reported Outcomes Measurement Information System.

Appendix C, Figure 18: Distribution of PROMIS Anger domain scores among people with heart failure in the cross-sectional sample

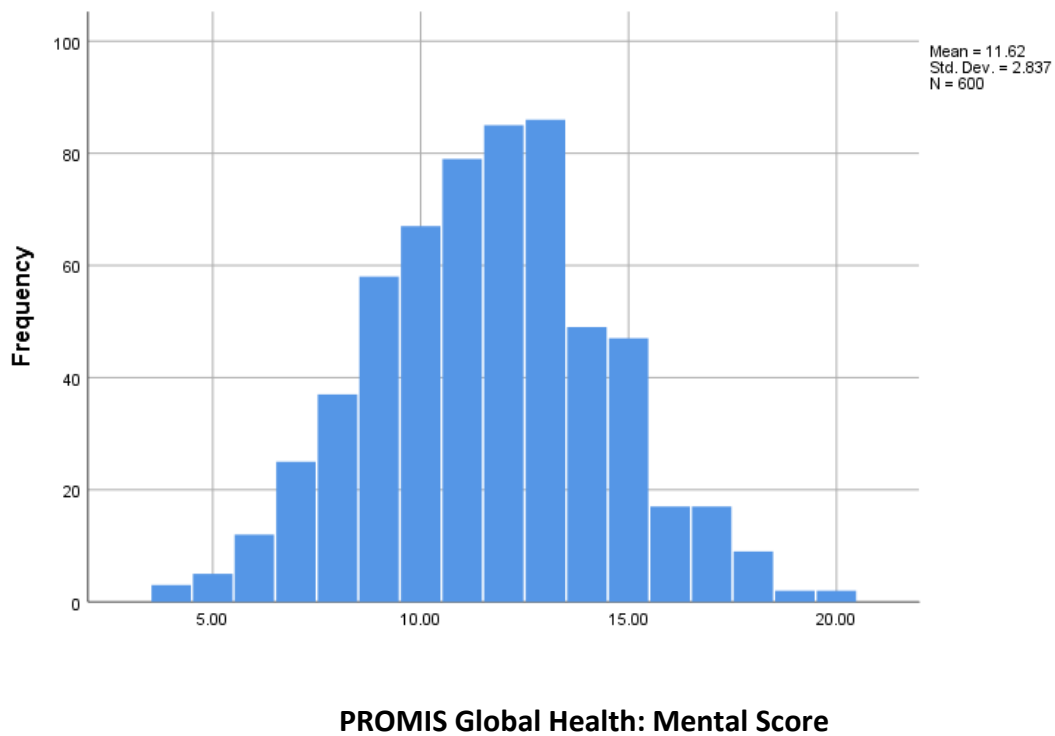

Abbreviation: PROMIS is Patient-Reported Outcomes Measurement Information System.

Appendix C, Figure 19: Distribution of PROMIS Global Health: Physical scores among people with heart failure in the cross-sectional sample

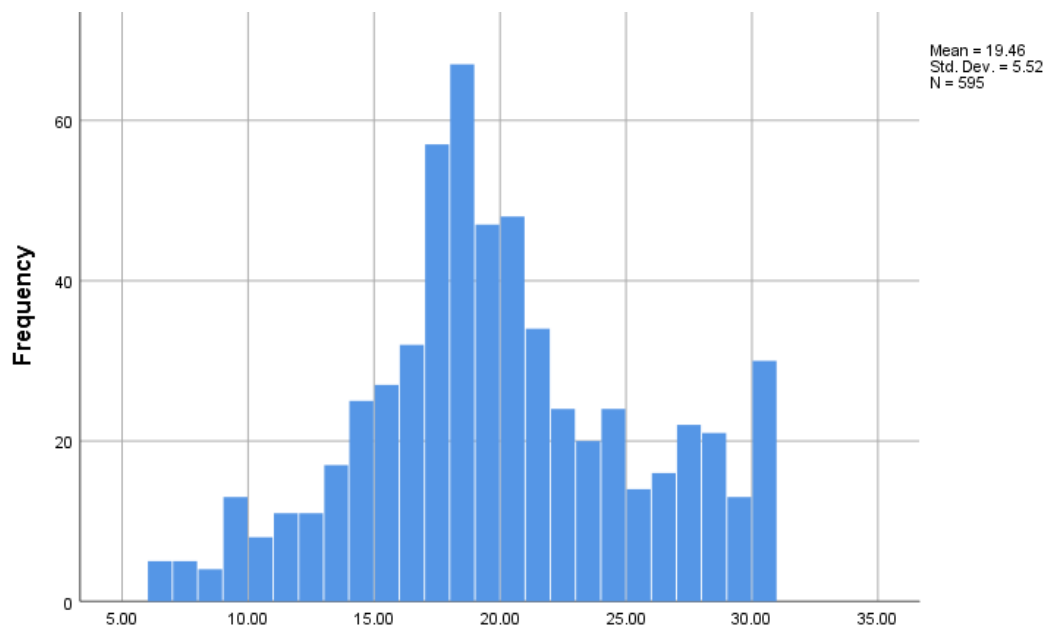

Abbreviation: PROMIS is Patient-Reported Outcomes Measurement Information System.

Appendix C, Figure 20: Distribution of PROMIS Global Health: Mental scores among people with heart failure in the cross-sectional sample

Abbreviation: PROMIS is Patient-Reported Outcomes Measurement Information System.

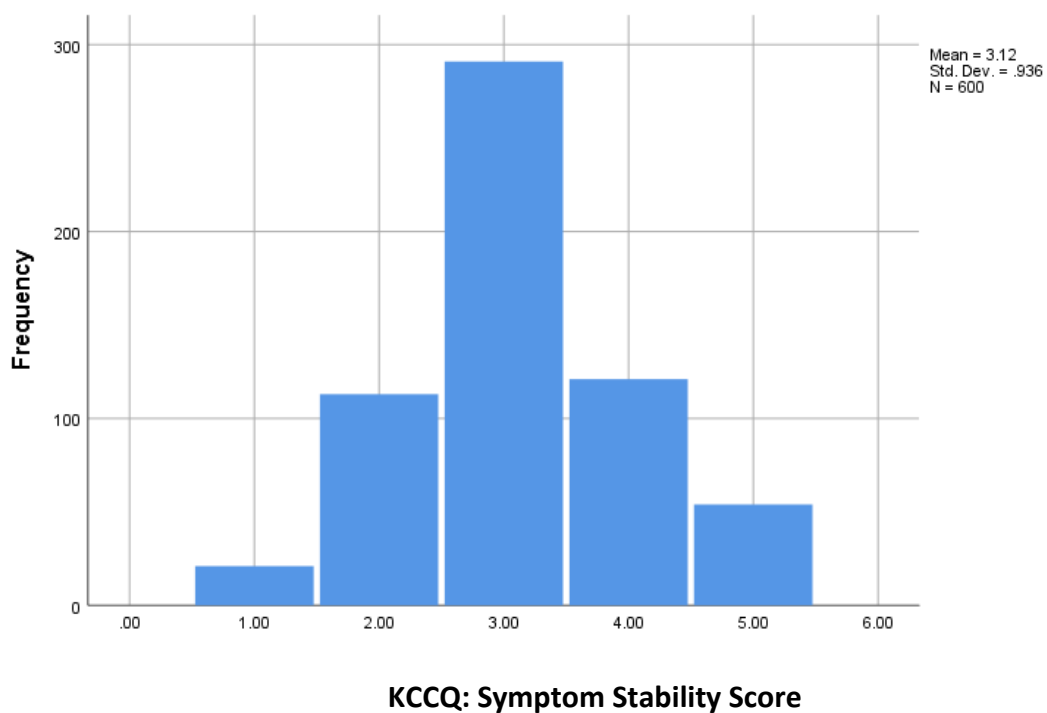

Appendix C, Figure 21: Distribution of KCCQ: Physical Limitation scores among people with heart failure in the cross-sectional sample

KCCQ: Physical Limitation Score

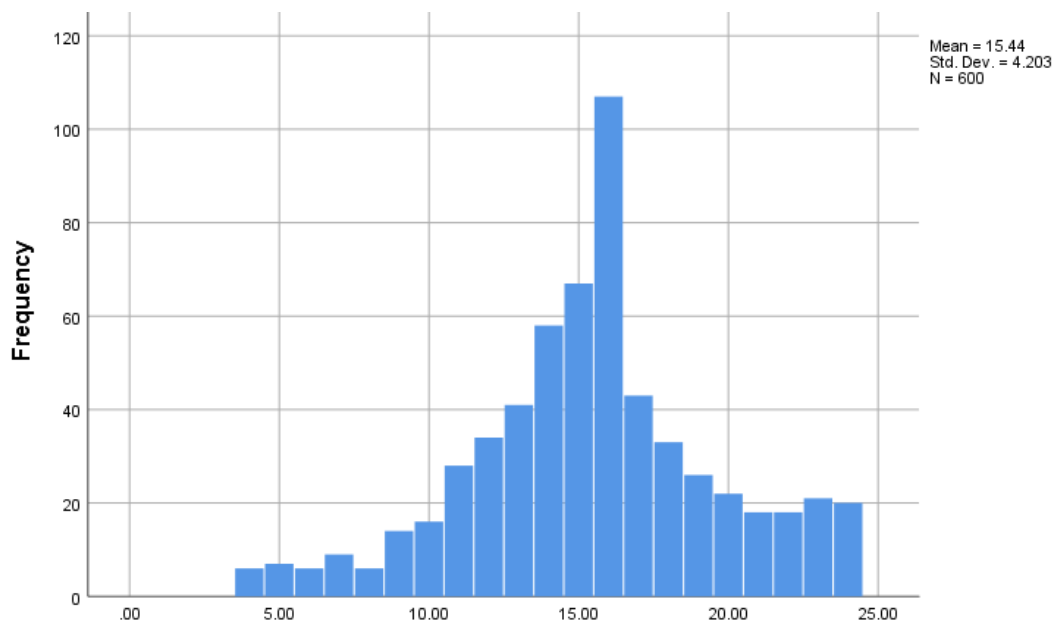

Abbreviation: KCCQ is the Kansas City Cardiomyopathy Questionnaire.

Appendix C, Figure 22: Distribution of KCCQ: Symptom Stability scores among people with heart failure in the cross-sectional sample

Abbreviation: KCCQ is the Kansas City Cardiomyopathy Questionnaire.

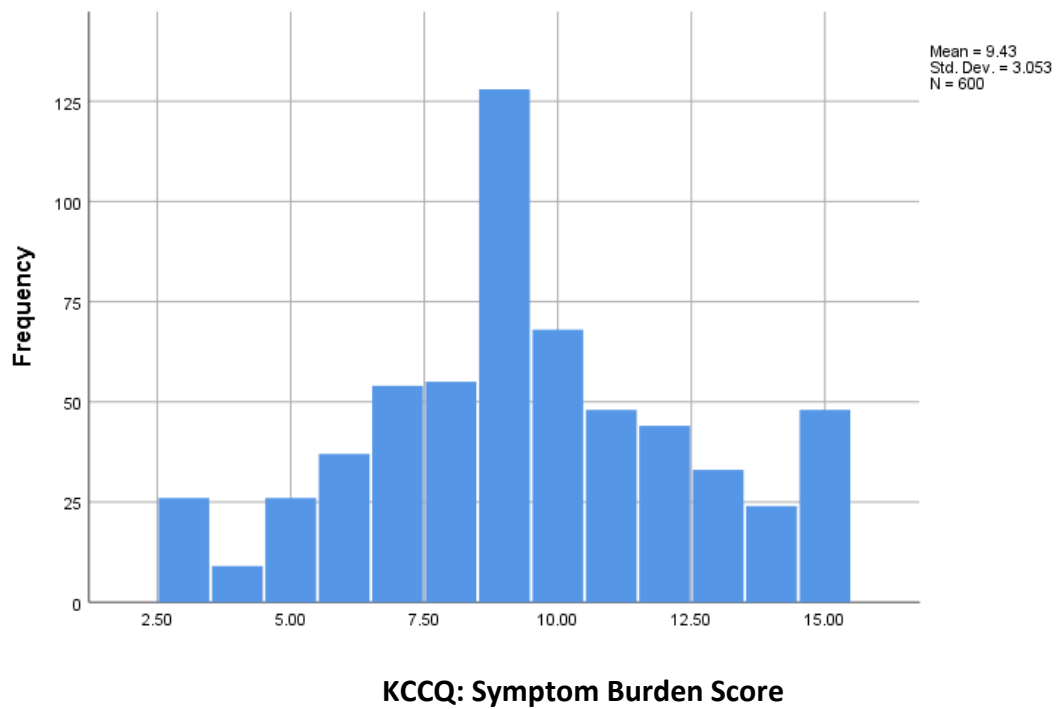

Appendix C, Figure 23: Distribution of KCCQ: Symptom Frequency scores among people with heart failure in the cross-sectional sample

KCCQ: Symptom Frequency Score

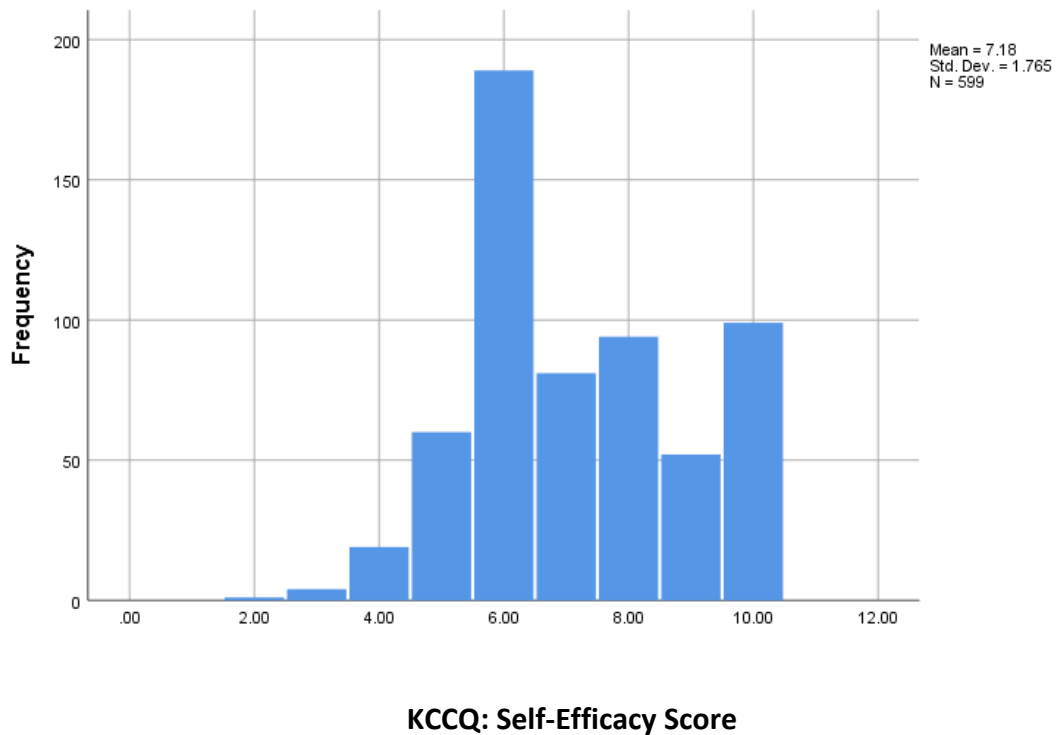

Abbreviation: KCCQ is the Kansas City Cardiomyopathy Questionnaire.

Appendix C, Figure 24: Distribution of KCCQ: Symptom Burden scores among people with heart failure in the cross-sectional sample

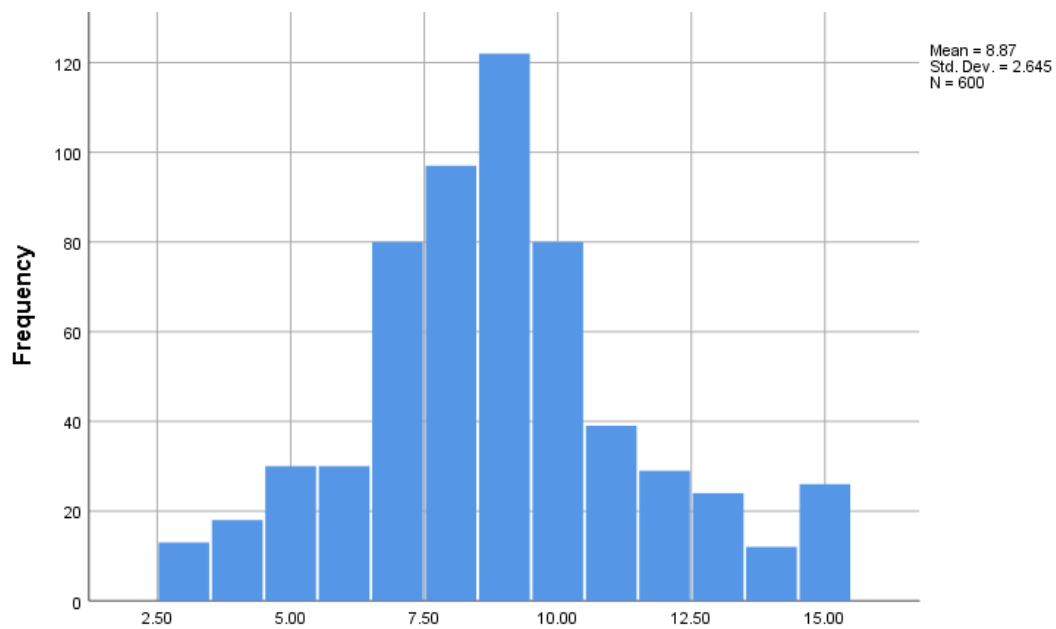

Abbreviation: KCCQ is the Kansas City Cardiomyopathy Questionnaire.

Appendix C, Figure 25: Distribution of KCCQ: Self-Efficacy scores among people with heart failure in the cross-sectional sample

Abbreviation: KCCQ is the Kansas City Cardiomyopathy Questionnaire.

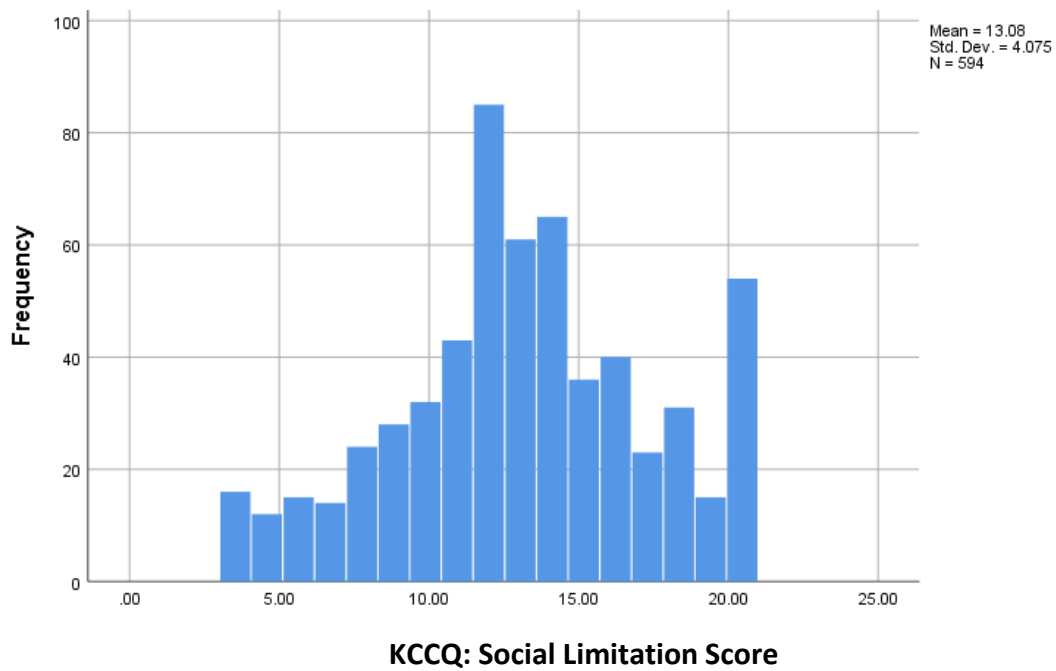

Appendix C, Figure 26: Distribution of KCCQ: Quality of Life scores among people with heart failure in the cross-sectional sample

KCCQ: Quality of Life Score

Abbreviation: KCCQ is the Kansas City Cardiomyopathy Questionnaire.

Appendix C, Figure 27: Distribution of KCCQ: Social Limitation scores among people with heart failure in the cross-sectional sample

Abbreviation: KCCQ is the Kansas City Cardiomyopathy Questionnaire.
